About the Great Train Race

For the last 29 years kids from all over the area have lined-up under the train tracks on Caroline Street to run the Great Train Race.

The Great Train Race offers three distances for runners: the 1 Mile Express, the ½ Mile George Dashington, and the ¼ Mile Caboose Run for our youngest Train Racers.

Participants in all three events receive a race shirt, finisher's medal, finish line refreshments, and a sense of pride and accomplishment.

The Great Train Race provides a rare opportunity for younger runners to experience a race that is just their own. Our young runners are thrilled to be able to run down the streets of historic Fredericksburg.

The Fredericksburg Area Running Club (FARC) is a 501(c)(3) nonprofit organization. We believe that running enhances both the health and happiness of its participants. To achieve our mission, the club promotes and encourages recreational running in the community for all ages.

The club organizes Saturday morning runs, championships, social activities, and community runs such as the Great Train Race.

FARC holds several races in the community in addition to the Great Train Race. The club uses these events to provide support to many local charities.

The club is completely volunteer driven and relies on the support of the community and its members.
