Introduction

Welcome to the Great Train Race

We are excited for this year's race. The race will be on May 5th and this will be our 30th annual event. The Great Train Race is for young runners ages 17 and under. The race consists of 3 different events so runners can find a distance that suits their ability. Please read through this entire race guide as it will help you to know what to expect on race day and ensure you and your runner have an amazing day. The most up-to-date race information and the registration link can be found at www.gtr.runfarc.com.

The race is hosted by the Fredericksburg Area Running Club (FARC). The club is a non-profit organization that promotes running within the community. The club has a youth running team called the Rappahannock Ospreys for runners 8 to 18 years of age. If you are interested in learning more about FARC or the Ospreys, please visit our website: www.runfarc.com.

The race benefits Loisann's Hope House which strives to end the cycle of homelessness for all children and their families within the community. Their program is designed to improve the quality of life for families by helping them move from homelessness to permanent housing. They offer educational opportunities and support services. Loisann's Hope House is funded through private donations and private, local, state, and federal grants.

For more information visit:
www.loisannshopehouse.org

We are able to make a donation to Loisann's Hope House each year thanks to our participants and our generous sponsors.

It takes well over 100 volunteers and countless hours to plan and execute this race. When you see a volunteer on race day be sure to tell them thank you.

Parking in Downtown Fredericksburg, VA

Public parking is available in the following locations. All posted signage must be obeyed. Unless otherwise noted these parking lots are free.

Parent Participation

Parents or guardians of runners 8 and under may run with their child in either the George Washington or Caboose Run. **No parents may run with participants in the Express.** We prefer runners complete their event on their own but understand some runners need a bit of reassurance and guidance. Parents or guardians must indicate during registration that they will be running and sign the waiver. The parent/guardian must run with the child throughout the whole course. Do not enter or exit the course mid-race. Only 1 parent or guardian may run with a child. Please reach out to the Race Director at gtr@runfar.com if you have any specific concerns.

Finish Procedures

Runners will finish at the City Docks where they will receive their medal and post-race refreshments. Children who are 8 & under will be held at the end of the finisher chute until a parent or guardian can meet them.

Parents/guardians of runners aged 8 and under will be given a wrist band with their runner's bib number on it. **PLEASE DO NOT FORGET THE WRIST BAND ON RACE DAY.** Volunteers will match young runners to authorized adults before permitting them to leave. If the parent/guardian loses their wristband they will be required to show government issued photo ID and it must match the

information provided during registration. Young runners who remain in the finish chute for more than 15 minutes will be escorted to the Lost Kids tent and the emergency contact will be notified.

Lost Children

Parents/guardians should speak with their runners prior to the race and ask them to stay on the course throughout the race. If they become lost or confused, they should speak with a race volunteer. Parents, if you are concerned your child has become lost, please seek out a volunteer. Volunteers will have shirts with “Volunteer” on the back. Race staff will have radios throughout the course to communicate information regarding missing children. There will also be a Lost Kids tent just beyond the finish at the City Docks to facilitate meeting up with lost children or parent/guardians.

First Aid

First Aid will be available in the Festival Area. Our first aid volunteers are equipped to handle minor injuries. Paramedics will also be onsite. In the event of serious injury, call 911.

What to Wear/Bib Placement

Runners are not required to wear their race shirt to the race. Please ensure that your runner’s bib is pinned to the outer most layer of clothing that they will be running in. The bib must be pinned to the front of the runner’s shirt. If the bib is not pinned to front, this could impact the ability to receive an accurate time and for identifying race day photographs. The weather the first weekend in May can bring just about anything. Check the weather report before the race and ensure your runner is dressed for the day.

Weather

The race will be held rain or shine. In the event of lightning or dangerous conditions families will be directed to return to their cars. When conditions improve, the event will be restarted if possible. Check our social media pages for updates: <https://www.facebook.com/TheGreatTrainRace/>

Festival Area

Central Location for Race Activities

The Festival Area located just south of the railroad tracks between Caroline St. and Sophia St. will host several activities. There will be vendors selling coffee, snow cones, and kettle corn in addition to many other local organizations. The awards ceremonies will be held in the Festival Area; please reference the awards schedule above. There will also be a DJ at the Festival Area to enjoy.

Spectators

Enjoy the Race and Cheer on the Runners

The best part of the Great Train Race is getting to cheer on the runners as they pass by. Be sure to be courteous to our downtown neighbors. Stay off private property and keep the course clear. We would hate for a runner to be impeded or hurt because someone was on the course. **Only authorized adults who have signed a waiver may be on the course with their runners.** If for any reason a runner leaves the course, please inform a volunteer of their bib number. Please follow all instructions given by our volunteers. Our volunteers and course marshals are in place to ensure the safety of all participants.

Spectators must remain on the east side of Sophia St. (river side) past Frederick St. as they head down to the finish at the City Docks. Fencing will be in place along the sidewalk, please do not lean on the fencing. The Great Train Race can always use “more cowbell” so bring out those noise makers and encourage our young runners.

Race Day Offers

Pancake Breakfast

Our friends at Green Fitness are offering a free pancake breakfast for all participants of the Great Train Race. Breakfast will start at 7am and will be served until they run out. Green Fitness is located just 2 short blocks from the start line on the corner of Frederick St. and Charles St. (just look for the Purina Tower). Big thank you to Dorothy and Garrett for being such amazing supporters of the Great Train Race.

Free Gelato

Italian Station located at 620 Caroline St. will again be offering free gelato to race participants. Be sure to stop by after your race and get your runner a gelato and maybe some coffee or amazing food for you. While you are there get a great photo with the train out front!
